IMPORTANT NOTES

- Package prices are for website design & development only.
- Domain, hosting, business email, premium plugins and other third-party services are charged separately.
- Client must provide required business information, images, logo and content unless content creation is included separately.
- E-commerce, payment gateway, login systems and custom applications are not included unless mentioned.
- Government taxes, if applicable, are additional.
- Domain and hosting should ideally be registered in the client's name so you retain ownership.
- Final quotation may vary depending on exact requirements.
